

## **CC-8 - Evaluate Existing Climate Proposals at the Regional, Federal, and International Levels**

### **Benefit/Cost of Reducing CO<sub>2</sub>e:**

N/A

**Assessment: High Priority. Bin A. 19 out of 22 votes.**

In planning, implementing, and updating Utah's climate change policies and options, it is desirable to monitor other states, regional, federal, and international activities, so we can adopt new ideas that suit Utah's needs.

A summary report of climate change bills and proposals, outlining the potential impact each would have on Utah businesses and residents, may be helpful going forward.
